

How close do you live to the church?	How much and in what ways are you connected to the Bon Air Community outside of St. Michael's Church?	What do you think St. Ms could do that would better connect us with the community?	How would you like to see St. M's use our space?	What do you care about most in the Bon Air community? What issues or concerns would you like to see addressed?	What assets might you be willing to offer to help make this community better?
About 11-18 minute drive	Shopping - have been a patron of Bon Air since attending Bon Air Elementary	Believe we are doing the best we can to be visible and connected to our community given our size and the fact there are larger churches in Bon Air and surrounding area.	Retirement community or Riverside School expanded or another "specialized" school.	The fact St M is considered and recognized as part of the Bon Air Community and has always strived to make a difference since its beginning.	Volunteer
About 11-18 minute drive			We should seriously investigate the possibility of using some of the space to develop senior housing -- much like several churches in the No. Va. diocese have done. We should entertain a long term lease with Riverside for whatever space they can use. However, we should try not to sell any of the property.		
About 11-18 minute drive	Bon Air Historical Society, many friends in Bon Air- very connected to Bon Air as we lived about 5 minutes from the church for about 35 years and have a special love for the community.	Some of the things we are all ready doing such as the Fall Festival which reaches to the community.	By schools and a place for seniors as well	The historical area-preserving it. As planned for the future places to walk and ride bikes safely	
About 11-18 minute drive	Some shops, restaurants, my dentist, friends (St. Michael's members)	mailbox fliers announcing church events (in adjacent neighborhoods)	expansion of Riverside School; senior center;	preserving interesting, attractive, historic neighborhoods; easy access to city of Richmond and the West End; overall sense of community	I am not a Bon Air resident, but I would support St. Michael's community outreach efforts.

How close do you live to the church?	How much and in what ways are you connected to the Bon Air Community outside of St. Michael's Church?	What do you think St. Ms could do that would better connect us with the community?	How would you like to see St. M's use our space?	What do you care about most in the Bon Air community? What issues or concerns would you like to see addressed?	What assets might you be willing to offer to help make this community better?
About 11-18 minute drive	Friends, shopping	Arts programs	A multigenerational arts center, including but not limited to drama, dance, music, fine art. Pre-school through seniors. Team with an organization that already has programs and is looking to expand. Pre-existing infrastructure a must. We sell them the space.	I care most about people. Once sidewalks and bike paths are put in (plans already on the books), St Mike's will be well positioned to be a destination for cultural events, educational arts programs and the things that bring ALL people together. The arts connect us to ourselves and each other. The arts connect us as individuals, a community and a country. Arts mend cultural, religious and political divides. Arts education is critical for a civilized society.	I would be willing to consult where and when I am able. I owned and operated a very successful dance studio for over 40 years, so I do have experience with at least the dance education piece.
About 11-18 minute drive	usher, reader, scouts and school	Would like to see more recruitment	Something that generates revenue for the church but does not restrict other ministries.	I like that it feels like a community when I visit. It has a feeling of what I remember in my youth. I don't live there so it is more an impression.	I have skills for planning and thought leadership that I could leverage but already am very committed.
About 11-18 minute drive	Boy Scouts, School, Buford Rd Pharmacy, immediate family lives in Bon Air area	Communication to the wider community about what we are doing.	Senior living, Caritas, school.	I care most about the small town feel of Bon Air. I would like to see traffic flow addressed.	I feel I am stretched too thin to offer anything else.
About 11-18 minute drive	Little League and summer swimming	create a rec center	create a rec center or childcare facility	Not friendly	Process Improvement driven by Lean methodologies
Close! In Bon Air or right next to it.	Boy Scouts and Rotary Club	Have a staff membership in a community organization	Education and youth sports	Preserving the historical values of the properties	We are engaged

Close! In Bon Air or right next to it.	South Richmond Rotary, shop in the area, been here 40+ years	advertise - print and internet -- events	senior living center	programs for young people; programs that attract seniors who would become active in local efforts to address issues as they arise - commercial development, schools, etc -- and small issues as they arise. The Bon Air Community Center does not do these things.	time, knowledge and experience in investment and legal matters
Close! In Bon Air or right next to it.	I'm a charter member of the Bon Air Historical Society. I have been in Bon Air since 1964.		I would hope Riverside School would expand and use the space.	I would like for the County to stop the Hodgins family from using their parent's home as a business. They should enforce their own zoning laws. I would like the house on the corner of Buford and Hazen to get a new roof. The Hodgins children do not keep their properties up very well!!	I'm too old to do much.
Close! In Bon Air or right next to it.	Friends, shopping		Would love to have community activities which would bring people onto our campus. Would also like to see property used/sold for something like Senior Housing.	Preserving historical and neighborhood feeling.

Close! In Bon Air or right next to it.	I've lived in Bon Air for 48 years. I've worked in Bon Air for 33 years. I do most of my shopping here and along the Midlothian Turnpike corridor.	Have more events like Fall Fest where the Bon Air community is invited to attend.	However we choose to use the space, it should not be in a way that would overburden our smaller, aging congregation.	Bon Air is a very special place to raise a family. People who live here enjoy peace, safety, convenience, history, and a small town feel within Chesterfield County. Residents of Bon Air feel a sense of pride and love of community.	Time and volunteering
Close! In Bon Air or right next to it.	Bon Air resident, Scout leader, shopper, Bon Air library patron	diversity outreach	community outreach, pre-school and after-school programs. well-being programs	Connectivity. Bon Air was and can be a unique, close-knit community like some newer developments are trying to be. While we already have the Bon Air Community Center next door, there is opportunity for St. M to serve as an expanded community center for a different set on uses/gathers, etc.	Hard to say without knowing the direction this goes. I would like to think that I could volunteer and participate in programs if they align with specific interests.

What issues or concerns would you like to see addressed?	What assets might you be willing to offer to help make this community better?
Close! In Bon Air or right next to it.	I have lived in Bon Air for forty years and feel that it is home. I have friends here, shop when possible, and use the library often. A grocery store would be nice.	Is it feasible to make the facilities available for regular group meetings-yoga, exercise program, Mother's Morning Out where moms take turns watching the children(done years ago)? Have we tried a neighborhood caroling party? Could we invite a garage band to perform at Fall Fest during breaks?	School, daycare for children or adults, 55+	It is a community where people greet each other and help even when they are not acquainted. We have trees, various architecture styles, established plants, and history. We are an aging community and are competing with planned neighborhoods where everything is new, shiny, and unnaturally green. We need to find a way to appeal to homeowners who appreciate our charm.	I will volunteer.
Close! In Bon Air or right next to it.	Boy Scout Troop 840		To better the community	More sidewalks, bike paths, green space etc. would be nice	My time
Close! In Bon Air or right next to it.	I live in Bon Air		A place for community youth activities	Maintain as a residential community	Continue to work with the Boy Scouts that meet at St Michael's
Close! In Bon Air or right next to it.	shopping; family; new to area	Ascertain needs and plan to help meet them.	Community organization meetings	too new to know yet	Time; commuication skills; hospitality
Less than a 10 minute drive	Bon Air rotary; Frequent Buford Road Pharmacy; Frequent Joe's Inn, Jersey Mike's; a number of friends in Bon Air	Continue spiritual leadership; Continue to reach out to attract people to the church services and related events; Continue to help Riverside school within our financial means.	Undecided	That it continue to be a safe, clean community	Financial skills; modest charitable contributions; Volunteer time for projects
Less than a 10 minute drive	Have been an active member since 1960.	Offer a program for singles.	Have a daycare center.	Keeping the small feel of the community.	My gifts are about used up.

What do you think St. Ms could do that would better connect us with the community?	How would you like to see St. M's use our space?	What do you care about most in the Bon Air community? What issues or concerns would you like to see addressed?	What assets might you be willing to offer to help make this community better?
Less than a 10 minute drive	Actually not that much now that I think about it.			I wouldn't want to see it be overdeveloped, but I don't think a multi-family housing project would do that.	Time, Construction advice
Less than a 10 minute drive	Joe's Inn; Buford Rd Pharmacy; friends from church and choir	Connect with other dioceses	Arts center: art studios; music practice rooms; drama; writing	I live outside of Bon Air so I don't know the issues	Music, lay reading, languages, knowledge of books
Less than a 10 minute drive	Much of my life is centered in this community. Meeting friends, shopping.	Invite neighbors to specific events	I am open to lots of options.	I like the "old" feel of the houses and the streets	community engagement seems to be the direction that we should go. Outreach to the neighbors
Less than a 10 minute drive	Scout Troop; Greenfied resident.	Not sure, it seems there are several outreach programs in place.	Athletic activities; community organizations meeting space; art/music activities.	Safety; reduced traffic; good neighbors.	Volunteer.
Less than a 10 minute drive	Shopping, library, friends	I would hope whatever we do will be connected with the church in some way.			
Less than a 10 minute drive	Friends	Maybe more interfaith or interdenominational discussion.	In a way that would best benefit our neighbors and other members of our community.	I think that in this very polarizing time we need to achieve togetherness as a locality. Put the unity in community in a way.	The only thing I think I could bring to the table is knowledge of diverse ideas and thought subscriptions.

How close do you live to the church?	How much and in what ways are you connected to the Bon Air Community outside of St. Michael's Church?	What do you think St. Ms could do that would better connect us with the community?	How would you like to see St. M's use our space?	What do you care about most in the Bon Air community? What issues or concerns would you like to see addressed?	What assets might you be willing to offer to help make this community better?
Less than a 10 minute drive	I shop in Bon Air, go to restaurants there, to the shoe repair and tailor shop. The Bon Air Library, drug stores. I walk in Bon Air.	Big sign out front has been a help. Fliers or posters for special events posted in businesses and library? Free special events (concerts, talent shows that include community performers). Community garden.	A school, adult day care, retreat center, pre school, center for ESL classes	I most like that it's small, and I like the new sidewalks.	Don't know yet.
More than 18 mintues away	Friends and shopping	More visible outreach--participate in Bon Air events in a fun way (has any organization held something like a "witches' run" to raise money for a cause?), newer (more updated/attractive) signage on Bon Air Rd. Continue a strong presence for parents and students at St. Michael's School's new campus.	Community space for pre-school, senior center, rental space for art/music classes (with the art room space, could there be a paint & play kind of space?), small organizational meetings, book clubs, classes, etc.	Making the Bon Air community more vibrant, visible, and visionary?	Time & teaching with both children and older adults
More than 18 mintues away	Many friends live in the area. Exercise class at nearby church. Some shopping.			Good schools and affordable housing are very important.	
More than 18 mintues away	Friends, family, shopping, dining, etc.	Community outreach add a pre-school or daycare, host community association meetings, meditation garden, playground, etc.	I would NOT like to see for-profit businesses use our space. Not-for-profit and community use would be great.	I care most about the community and safe feeling/atmosphere of Bon Air.	volunteering, time, labor, etc.
